Unit Overview - Certifications

The Unit Overview - Certifications page allows users to view the workforce of a specific department or academic org to identify certification enrollment and completion totals. The "Summary" displays the aggregated totals of unit headcount, enrollments and completions for every certification. The "Breakdown" displays a detailed view of each certification, showing the learner's that are enrolled/not enrolled.

Managing Performance Part 2

After hearing insights from Senior HR Partners Patricia Morales, Risa Noble, and Jena Privette you may be interested in exploring more resources to support you as you support your team members. Below are just a few examples of videos available to benefits-eligible employees through LinkedIn Learning that may be useful based off the meeting presentation.

There may be even more applicable resources that are helpful for viewing from the LinkedIn Learning catalog. Feel free to browse the catalog yourself in EDGE, talk with your Sr. HR Partner, or email edge-learning@arizona.edu for additional support.
